

Microbicides 2010

Building Bridges in HIV Prevention

Ian McGowan MD PhD FRCP

Sharon Hillier PhD

Gita Ramjee PhD

Background to M2010

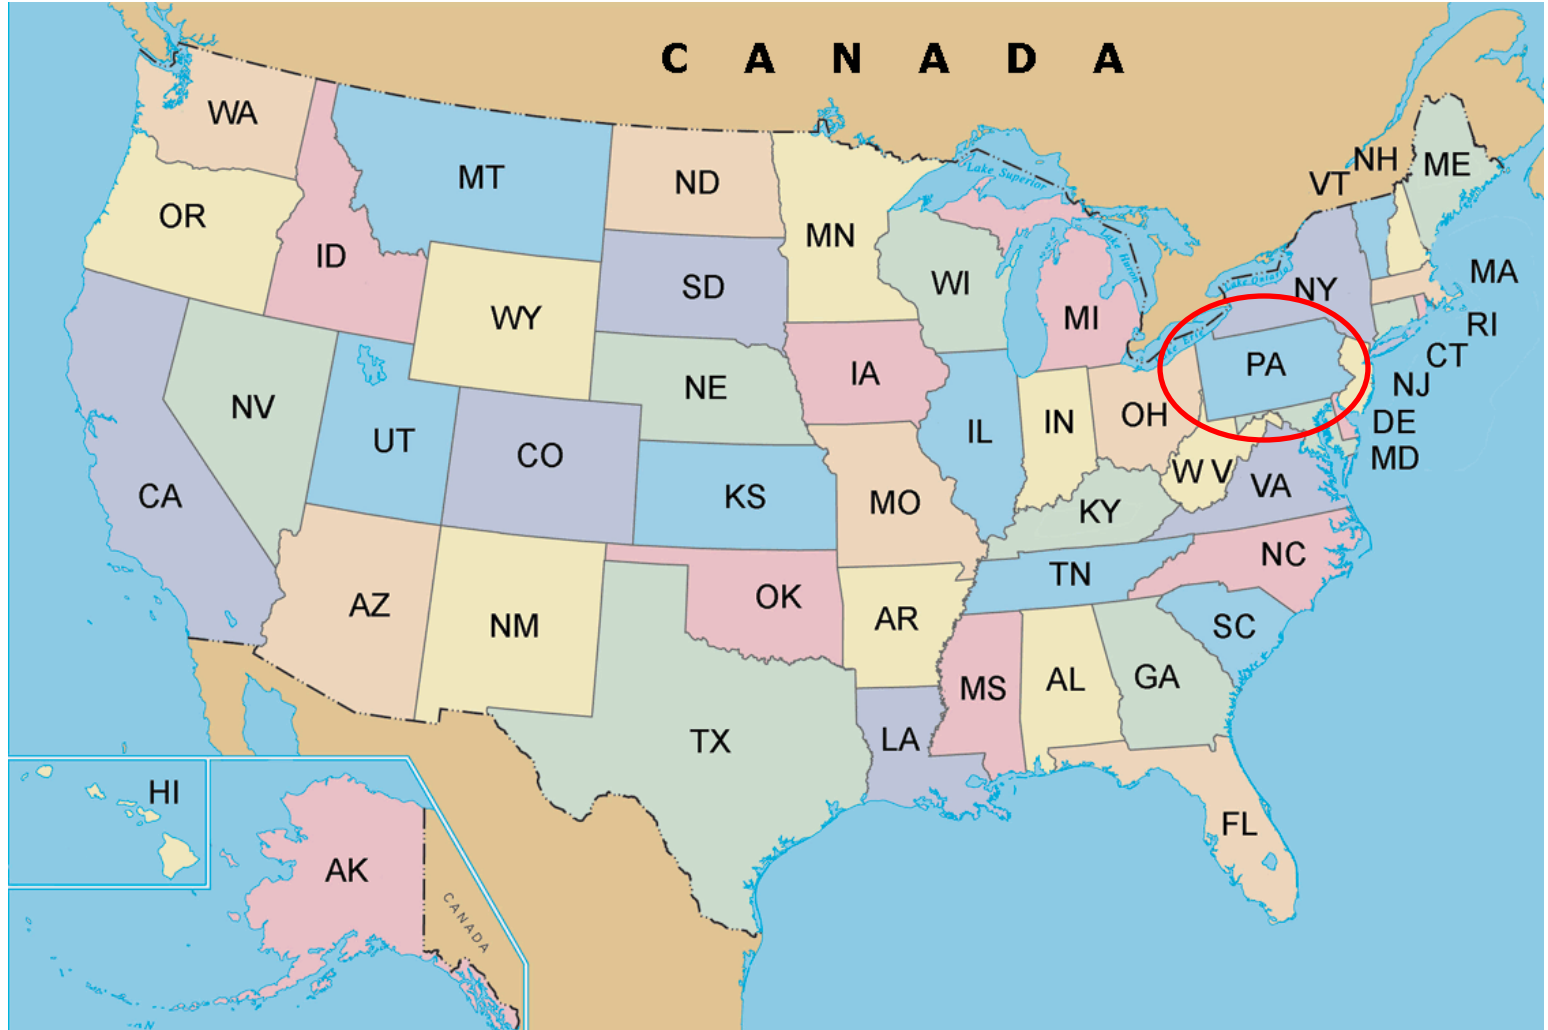

Year	Location	Attendance
2000	Washington	550
2002	Antwerp	600
2004	London	800
2006	Cape Town	1,300
2008	New Delhi	1,140

M2010

MICROBICIDES:
Building Bridges
in HIV Prevention

Convention Center

Scientific Program

- Six plenary presentations
- Nine mini-symposia
- Fifteen abstract driven sessions
- Six poster discussion sessions
- Satellite meetings

M2010 Plenary Topics / Speakers

Sunday 23rd May

- State of the ART for microbicides
 - Robin Shattock
- Taking it to the streets
 - Vuyiseka Dubula

Monday 24th May

- From transmission to targets: How HIV infects mucosal tissue
 - Ashley Haase
- The critical role of social science in biomedical prevention trials
 - Judy Auerbach

Tuesday 25th May

- Putting vaccines back into the prevention puzzle
 - Susan Buchbinder
- From research to reality:
Implementation of biomedical prevention

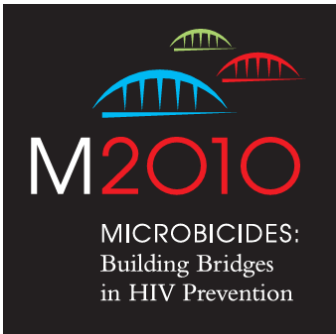

To Be
Confirmed

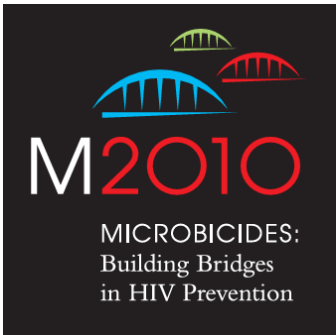

Draft Mini-Symposia Topics

- Sunday
 - Adherence
 - What comes after tenofovir?
 - For whom and how: partnerships in prevention
- Monday
 - A tale of two compartments
 - How good is good enough?
 - Mice, monkeys, and microbicides
- Tuesday
 - Product selection strategies
 - ART: challenges, pitfalls, and opportunities
 - Novel trial design: life after placebo

Oral Abstract Sessions

- Sessions will be thematically driven
- Each session will have six oral abstracts or a “state-of-the-art” overview plus four abstracts.
- Total of 15 oral sessions
- Approximately 90 oral abstracts

Posters and Poster Discussion Sessions

- Three dedicated poster viewing sessions
- Posters will change each day and will be clustered in thematic groups
- Six poster discussion sessions
 - 4-5 posters will be selected by Scientific Program Committee
 - Each poster presenter will summarize data in 2-3 slides in 5 minutes

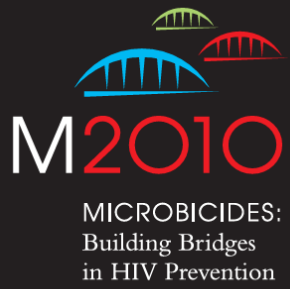

Submission Deadlines

- All abstracts will be submitted on line
- Website will open ASAP 😊
- Submission deadline for regular abstracts and scholarships
 - December 15th 2009
- Late breaker deadline
 - February 15th 2010
- Notification of abstract / scholarship
 - February 1st 2010

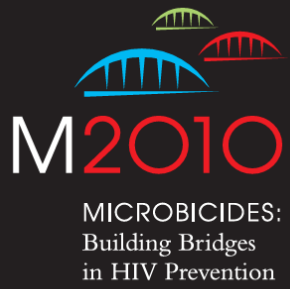

Financial Support

- NIH Office of AIDS Research
- Bill and Melinda Gates Foundation
- Microbicides 2006 & 2008
- International Partnership for Microbicides/USAID
- CONRAD/USAID
- WHO
- UNAIDS
- Registration fees will be significant revenue stream

Registration Fees

	Submitted by December 15th 2009	Submitted by April 15th 2010	Onsite Registration
Advanced Economies Delegate	\$600	\$700	\$800
Emerging Economies Delegate	\$300	\$350	\$400

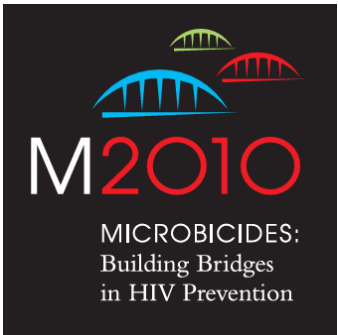

Abstract Review Process

Abstract Review Process

- Abstracts will be submitted via the conference website
- All abstracts will be reviewed by interdisciplinary subgroups of the M2010 Scientific Program Committee
- Abstracts will not be blinded
- Scoring will be based on 1-5 scale
 - 1: Oral presentation
 - 5: Rejection

Scholarship Program

Scholarships

- Sponsorship from NIH OAR and anticipated support from Bill and Melinda Gates Foundation will fund approximately 400 scholarships and travel grants
- Goal is to sponsor individuals actively involved in all aspects of HIV prevention research including microbicide development

Scholarship Categories

- Developing world (300)
 - Scientists (150)
 - Community educators (50)
 - Advocates (30)
 - Regulators (15)
 - MOH (15)
 - Care providers (25)
 - Journalists (15)

Scholarship Categories

- **Developed World** (100)
 - Scientists (70)
 - Community educators (5)
 - Advocates (15)
 - Regulators
 - Care providers (5)
 - Journalists (5)

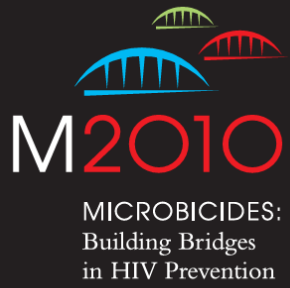

Scholarship Review Process

- Submission through conference website
- Abstract submission encouraged but not mandated
- Scientific scholarships will be linked to quality of abstracts
- Other categories will be evaluated by scholarship committee

Scholarship Activities

- Linkages will be created to provide “added value” for specific scholarship / travel grant recipients
 - Attendance at journalist training program
 - Regulatory workshop
 - GCM advocacy workshop
 - OAR scientist training workshop

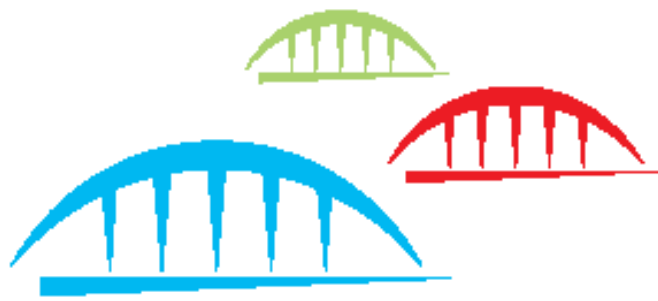

Satellite Programs

M2010 Satellites

- All satellite proposals will be reviewed by conference Co-Chairs
- Satellites that are felt to be in keeping with goals of the conference will be listed on conference website
- Satellite organizers will be responsible for logistics and financial support

M2010

MICROBICIDES: Building Bridges in HIV Prevention

May 22-25, 2010

David L. Lawrence Convention Center
Pittsburgh, Pennsylvania

IMPORTANT DATES

[September 15, 2009](#)

Conference Web site opens, including registration and housing

[November 20, 2009](#)

Early registration ends

[October 9, 2009](#)

Acceptance of online scholarship applications and abstract submissions begins

[December 15, 2009](#)

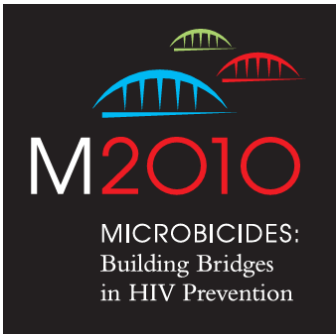

Deadline for submission of scholarship applications and abstracts

[February 1, 2010](#)

Notification of scholarship awards and abstract acceptances

[April 15, 2010](#)

Conference registration and housing deadline

Website

- Website currently under construction
- Hopefully will go live in ASAP
- Main portal for all conference activity
- Web design
 - <http://198.136.163.138:932/m2010/>

How You Can Help!

- Spread the word about the meeting
- Submit high quality abstracts
- Apply for scholarships
- Register early
- Book accommodation through conference website
- Provide feedback / suggestions to Conference Co-Chairs

Thank You
